PAESSLER PRTG Network Monitor

### Invalid License Key (Step 2 of 5) ?

Sorry, but the license key that you have entered is not valid.

If you want to enter a **Commercial License** you must download and install the Commercial Edition from <http://www.paessler.com/login>

If you want to enter a **Starter, Trial or Commercial License** make sure you have entered all data correctly.

A license consists of a **name** and a **key**, both of which must be entered exactly as provided. We suggest copying & pasting the information from the mail.

First enter the **name** provided with the license information. For commercial licenses this is normally the company name as entered in the order form.

Name

Now enter the license **key**. The key consists of 10 groups of 6 letters and numbers seperated by a dash. Make sure you copy the whole key, some email clients insert a line break separating the key.
